

College of International Business ISM Slovakia in Prešov

Short description: The College of International Business ISM Slovakia in Prešov (VŠMP ISM) is a private school of higher education, a subsidiary of the ISM Dortmund, Germany. College provides bachelor's and master's study programmes in the areas of business studies and social sciences. The VŠMP ISM was established as an institution focused on the exploration of international, social, educational and other interdisciplinary dimensions of business, which offers attractive, modern study programmes reflecting both regional and broader European contexts responding to the requirements of the labour market.
