Pan-European University

Short description: The Pan-European University is a private institution of higher education established in 2004 in Bratislava, the capital of Slovakia. The university offers programmes at all three levels of higher education at its 5 faculties. The European Credit Transfer System (ECTS) is fully applied to all courses offered. International co-operation with partner universities abroad is one of the main goals of the university which follows international trends in its study programmes by emphasizing its international orientation.

List of faculties:

- Faculty of Law
- Faculty of Economics and Business
- Faculty of Mass Media
- Faculty of Informatics
- Faculty of Psychology

Scientific research, international relations and projects:

Since the very beginning of its existence, the Pan-European University has ascribed priority to international relations. The fact that approximately 30 percent of all lectures are from abroad proves the international character of its staff. The University is also active in science and research by using the potential of its international partnerships and involves strongly in the Erasmus+ mobility framework of the European Union.
