Scientific research, international relations and projects: The growth of education, research and

development is substantially supported by EU Structural funds. Since 2008, TUKE has implemented 57 projects from the EU Structural funds (the total budget of € 201.8 million). At present TUKE conducts 218 national projects (VEGA, KEGA, APVV, *etc.*). The university is involved in international scientific research cooperation which has resulted in 34 international projects (FP7, ERASMUS+, COST, ERDF Central Europe, Tempus, INTERREG, CEEPUS, Norwegian Financial Mechanisms, *etc.*). Effective transfer of research and development outcomes is supported by University centre for innovation, technology transfer and intellectual property protection. University Science Park TECHNICOM, TUKE Startup Centre and TUKE Incubator are important part of scientific structure of university. TUKE has signed 90 university cooperation agreements and 145 Erasmus+ programme bilateral agreements with partners in 21 EU countries, Turkey and Macedonia as well as 22 Erasmus+ programme bilateral agreements with partner countries.
