J. Selye University in Komárno

Short description: The J. Selye University is a public university offering study programmes in natural sciences, computer science, human and social sciences, education and religious services. The faculties of university offers 15 accredited bachelor's study programmes (from which 10 teacher's study programmes in free combination), 13 accredited master's study programmes (from which 10 teacher's study programmes in free combination), 1 accredited program which is a combination of bachelor's and master's study programme and three accredited Ph.D. study programmes.

The mission of the university is to prepare experts in education, religion, culture, economy and science for the Hungarian minority living in Slovakia.

The aim of the university is to cope with the challenges of the 21st century and to consolidate scientific research activities as it strives to become a competitive institution of international study.

List of faculties:

- Faculty of Economics
- Faculty of Education
- Reformed Theological Faculty

Scientific research, international relations and projects: The UJS staff's research activities mainly

focus on scientific fields related to accredited study programmes. This research involves combining theory with practice, and is focused primarily on current issues of pedagogy, economics and science. Scientific research projects are designed as a part of international projects supported by the European Structural Funds or the national Scientific Grant Agency (VEGA) and the Cultural and Educational Grant Agency (KEGA). The J. Selye University has bilateral agreements with more than 30 universities.

The university is active in the Erasmus+ Programme and three CEEPUS networks.
