**Short description:** Constantine the Philosopher University in Nitra (UKF) is the fourth largest public university in Slovakia formed as a modern European general university currently offering together in full-time and part-time form teacher study programmes with double-major combination of 36 subjects, 8 single-major teacher study programmes, 167 professional study programmes and 65 scientific doctoral programmes. The uniqueness of UKF in education is represented by teacher training programmes in Hungarian and the training of teachers, social workers and public education for Roma ethnicity. The University also organizes lifelong learning courses (additional study and courses of Interest study at the University of the Third Age).

### List of faculties:

- Faculty of Arts
- Faculty of Central European Studies
- Faculty of Education
- Faculty of Natural Sciences
- Faculty of Social Sciences and Health Care

**Scientific research, international relations, projects:** The most significant international research project is "IRNET – International Research Network for Study and Development of New Tools and Methods for Advanced Pedagogical Science in the field of ICT Instruments, E-learning and Intercultural Competences" (financed under the 7<sup>th</sup> Framework Programme). The major international project funded by the body outside Slovakia is the project "Relationship between trust and entrainment in speech" (financed by the US Air Force Office of Scientific Research). Among others the most important projects are "Building of AgroBioTech Research Centre" (financed from the Structural Funds), "Improving Quality of Higher Education Based on Development of Multilateral Institutional Cooperation" (co-funded by the EEA grants), "DesIRE – Development of Embedded System Courses with Implementation of Innovative Virtual Approaches for Integration of Research, Education and Production in Ukraine, Georgia, Armenia (Tempus project). UKF has 55 Bilateral Agreements of Academic Cooperation, 348 Erasmus+ bilateral agreements, sends and receives students and staff within the EU and national schemes of mobility programmes and agreements and guest teachers through British Council, Goethe Institute, French Institute, Fulbright Commission, DAAD etc.
